Is The Spirit of M. R. H. S. This cagey little gremlin is with us constantly, driving us to work, demanding participation in activities, pushing us into athletics, urging us to satisfy our cravin' for fun, and, above all, strengthening our loyalties. As many before us have felt and cherished his presence, so may we keep him youthful and lively, an inspiration for those who follow.

Our New Principal

We express this earnest appreciation of his successful year at M. R. H. Bringing with him new ideas and plans, he has improved the effectiveness of working hours spent within the confines of the class room, and enthusiastically given support to our extra-curricular activities. It is not only Mr. Martin's capable leadership and efficient management which give him a place in the heart of M. R. H. — it is also his keen understanding of us, the youth of today.

BEHIND THE SCENES

THE SPIRIT OF OUR

MR. E. R. ADAMS
Superintendent

Now that the war years are over, a new era of progress is born to us. Mr. Martin, our principal, and Mr. Del Pizzo, our assistant principal, have, with their enthusiasm, counsel, and sympathetic understanding, helped us to revive the long awaited Chip; planned with us and other sponsors the vocational guidance program; and encouraged us in maximum participation in all of the activities. Thus, they have

MR. FERDINAND DEL PIZZO
Assistant Principal

MR. R. LEE MARTIN
Principal

succeeded in broadening and enriching the opportunities which are available here at M. R. H.

MR. GEORGE VOSSBRINK
Assistant Superintendent

When Superintendent E. R. Adams and the School Board wanted a man for Assistant Superintendent in charge of Business Administration, they found Mr. Vossbrink the person best qualified by experience and training for the position. Though we have lost him as a principal, we know that serving in this capacity, he still has our best interests at heart.

ADMINISTRATORS IS PROGRESSIVE

Our School Board and Administrators have arranged a long term building program, designed to meet adequately the educational, recreational, and cultural needs of the community with sound financial planning to handle such a program. In addition, they have perpetuated and improved the fine educational program which has always been a tradition here. This program includes health, physical education, and recreation, as well as the language arts, sciences, mathematics, social studies, music, art, and the practical arts. Such a program is set up to meet individual needs, and to give to each boy and girl that all 'round development so necessary for participation in a modern democratic society.

A TRIBUT

God bless those noble boys from here

The ones we knew the best;

Those who served so gallantly

Have now lain down to rest.

Let's bow our heads and pray to God

That He may grant them peace;

And that our thanks and gratitude

To them shall never cease.

IN CLASSES

Oh! woe is me, will I ever get out
From under these books I have tonight?
But really it's not quite as bad as that,
'Cause the radio's on, at my right.

English, Science, History, and Math,
I've struggled through them all,
And on report card day, the grades
Sometimes my parents appall!

But, seriously, I must confess,
I couldn't do without
The excitement that comes with each new day,
A thrill, without a doubt.

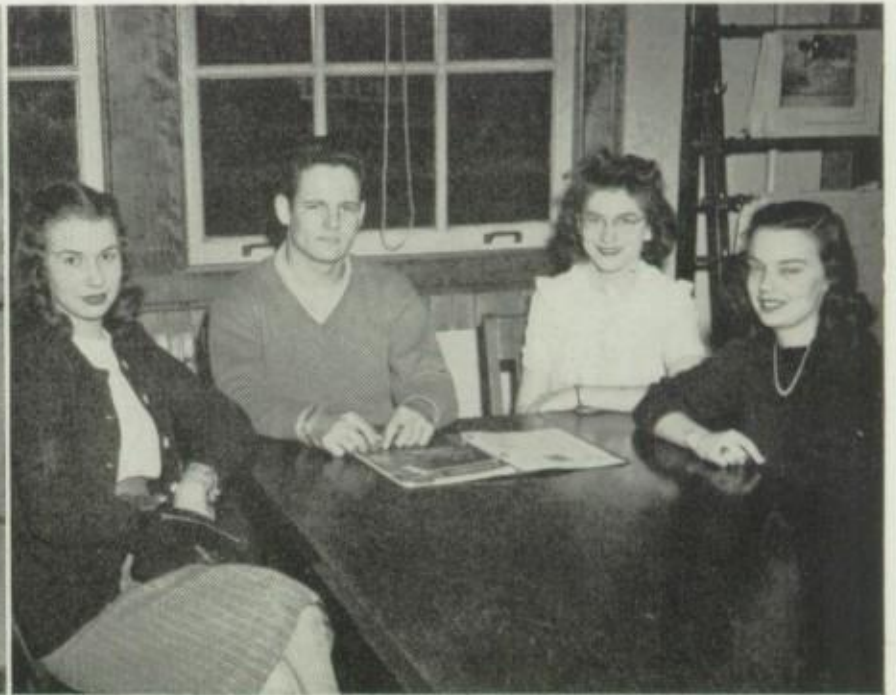

*I wish to a sweet
little girl.

The Senior Executive Committee

LIKE your Senior rings? Well, then, thank the S. E. C. Again this year, the committee has done a splendid job in managing the necessary business, and welcome social affairs of the Senior Class. It may have been work, but with cooperation, diligence, and sound judgment, the class rings were selected and approved by the entire Senior body. The Senior Dance, and plans for that "day of all days," graduation,

were also the work of this representative committee.

"The Big Shots," officers of the June 1946 class and the January 1946 class, were automatically members of the committee. Chosen to it by the seniors were: Mary Ellen Brockman, Kay Henley, Earlene Johnson, Jane Kelly, Pat Lay, Betty Carney, Richard Henley, Bob Siefert, Ray Gallaher, and Herb Klinger.

EXECUTIVE COMMITTEE

Gallaher, Klinger, Brockman, K. Henley, Mr. Del Pizzo, Johnson, Carney, Lay, Kelly.
Standing: R. Henley, Siefert.

First Row: Fritsch, Grey DuBois, Schaenzer, Williams.
 Second Row: Blount, Johnson, Carney, Brockman, Hamlin, Scheer, Toliver.
 Third Row: Edwards, Carlson, Kraemer.

TRADITIONAL to the M. R. H. progressive spirit, a Vocational Guidance Project was organized this year. The primary purpose of this plan was to interest students in the occupations, and to make available information on a wide range of vocational opportunities.

A representative committee of students with the aid of faculty advisors, Miss Murch and Miss Smith, and a Y. M. C. A. Counselor, Mr. Gilmore, formulated plans to execute the program.

During the first semester three general assemblies were held for the three upper classes to which well-informed speakers from the business and professional world brought their experiences, and invaluable information. After the three assemblies were completed, a list of specific occupations was presented to students from which they were to choose those in which they were most interested. Then, on the basis of their selections, thirty-six interest groups were set up in which the students had regular discussions with specialists in these fields.

This program was received with such enthusiasm by those participating that wiser choices of life work should result.

IN CLUBS

Eager for friends and gay times,
A busy worker to be,
I joined the clubs at M. R. H.,
To success, this was the key.

G. A. A., Bowling, and Glee Club,
Each I joined to see
How many new friends and faces,
I could put in my memory.

Grubstreeters, Rifling, and G. R.,
Never a one I'd miss,
For in all my life at M. R. H.,
I never had fun like this.

First Row: Schulz, Beimdiek, Brockman, Miss Sharp, Hamlin, Mejia, E. Johnson, Whitehill, East.

The Chip

THE Maplewood-Richmond Heights school newspaper, the "Chip," back after many years' absence, is again a center of interest. The credit for its revival goes to our new principal, Mr. Martin, and a few pioneering students who organized a planning committee. The work went ahead under the direction of Mr. Dubry, the sponsor. The first edition was published on December 19, having been produced by a group of interested students who volunteered their time to make this first edition a success.

The second edition was the work of a newly formed journalism class, but everyone in the student body was encouraged to contribute articles. If next year's class has as much enthusiasm as this one, the "Chip" will continue to roll from the presses, recording our life and times here at M. R. H.

Rostrum

TO ORGANIZE thoughts and to present them orally in an intelligent way comes through speech practice. Realizing this, the members of the Rostrum Club have attempted to develop their ability in public speaking by participation in declamation contests, debates and local club meetings.

The Varsity Debate Squad attended the State Debate Conference at the University of Missouri on December 7 and 8 where they met other teams from all over the state. February 9 found the same squad in the Sub-Regional Debate Meet here. M. R. H. won over eight schools.

Early spring brought the long awaited National Forensic League State Speech Tournament. Despite strong state-wide competition, M. R. H. made its usual good record.

Thanks to Mr. Welden's effective coaching, the club experienced a most profitable and successful year.

JIVE and swing class? Oh, no, the Greggites do not canter around — just their pencils do, up and down the little steno books. The amazing thing is that these Greggs can toss it back to you, and it makes good sense.

"TYPICAL" GREGGITES

They really shine on the last Friday of the month when the class becomes a club. This is the occasion of guest speakers, the annual visit to an uptown business office, or maybe a movie, a party or a hike. This year, Ruth Shank from St. Louis County Gas gave a talk on good grooming and etiquette for business people. Movies enjoyed were: "Simplifying Work in the Office," and "The Voice of Mr. X." These activities round out a year of fact and fun in preparation for careers ahead.

"NOW THE CANDLES HAVE BEEN LIGHTED"

TORCHLIGHT and candlelight gave dignity and beauty to The National Honor Society initiation held in the library at 8:15 on the night of February 18, 1946. Fifteen students received the badge of loyalty to this organization, and pledged themselves to uphold the high purposes of the society to which they had been elected.

Chosen by the faculty for their scholarship, leadership, character, and service, theirs is a solemn obligation to live up to those high standards of achievement and growth which are represented in Torch. These newly elected members went forth with the admonition to keep their torch burning brightly as long as it remains in their possession.

Old grads, former Torch members, on hand to assist in the ceremonies were: June Burkhart, Mary Lou Cook, Ed Daves, and Clay Barrett.

The Grub Streeters

RHyme, rhythm, and reason! Haven't you already guessed the name and nature of this club? It's the Grub Streeters, of course. This group offers to its members every two weeks a marvelous chance to mix an evening of enjoyment with some mental effort trying to compose and write poetry. Delving into the works of Poe and Keats may be brain work, but just try to write a poem that rhymes!

Some of the members have written commendable poetry which was entered into The National High School Anthology Competition. Four students were placed in the contest. Their names, and the poems which will be published this year in the National Anthology, are as follows: Marilyn Dill, "Fog"; Marion Feegle, "The Portrait"; Helen East, "Thoughts from a Child's Dream"; and Dot Sheller, "Ambition."

THREE OF OUR BEST!

UNDER the able sponsorship of Miss Link, "To find and give the best," the purpose of the Girl Reserves was this year, as always, the goal of the chapter. Among activities of the club were the spring and fall hikes; the Silver Tea, a get-together of members and parents; the Pigtail Party, rapidly becoming an annual G. R. affair; the Mother and Daughter Banquet, the outstanding event of the year; and the Senior Farewell. Also, at Christmas time G. R.'s filled several stockings for service men. Not only have Girl Reserves "found and given the best," they have had the best—the best girls, best parties, and best supervisors. As we say goodbye to our seniors, we challenge you who were not members this year — "How about including G. R. among your activities next fall?"

Girls' Athletic Association

A BUNCH of softies? Not the G. A. A. girls! Some tears were shed at the farewell Spring Banquet, but they don't need kleenex with their hockey sticks. For, the purpose of the Girls' Athletic Association is to develop character and personality through good sportsmanship, fun, and social life.

Fun rolled around when the fall hikers invaded Shaw Park. Say, let's not forget the Puff Pant Prom in November when gals took gals dressed in screwy costumes and danced the night away.

Socially it's an M. R. H. tradition! We're referring to the Backward Dance that added sparkle to spring activities. "Baby-Faced Boehm," so dubbed after the Freshman Welcome Party last fall, must moan whenever she remembers that inspirational song, brought to life by Lloyd and her officers. It ends—It's all, R-O-O-T, Root!

YOU see before you the lettermen of M. R. H. This group is known as the “M” Club, and is made up of all the varsity lettermen of football, basketball, wrestling, and track. Sponsored by J. T. McArtor, the football coach, the club is organized to keep all letter bearers of M. R. H. in touch with events in the sport world.

CAMERA-SHY LETTERMEN!

At meetings of the “M” Club, the members discuss various sports within and out of school. Some of these topics were the football games at Walsh Stadium to which the lettermen were invited by Dukes Duford of the University, and also basketball games at Washington Field House to which they were invited. Especially enjoyed were the banquets given to various groups of lettermen throughout the year.

Rifle Club

READY on the line—Load—Commence firing! The Rifle Club is at it again! Better not get in the way of these expert marksmen.

At the beginning of the season, the club fired on the rifle range at Valley School every evening. The team fired on Monday and Friday nights, and the squad fired on Tuesday, Wednesday, and Thursday nights. Later, however, because of the fire hazard at Valley School it was necessary to find a new range. This has curtailed the activities of the members somewhat, but in the spring they hope to participate in some matches with other clubs, particularly the City-County Rifle League.

Ranks of some of the members are: Distinguished Rifleman, Don Williams; Experts, Bill Wilkinson, Wesley Henshaw, Ronald Nelms, Gilbert Adkins, Alan Deardorff, and Ray Keller.

Girls' Bowling

STRIKE! What thrills and spills, accompanied by cheers and jeers, are seen at the Saratoga Lanes on Tuesday evening after school! It's the Girls' Bowling Club of M. R. H. that causes the pins to fly in the air, and the pin boys to resign. The club is made up of approximately thirty girls divided into teams who compete for high scores. But don't let that introduction fool you, for with a semester of practice the teams are really "hep." "On the alley and out of the gutter" is their motto!

Girls who hold the highest averages for the club this year are Jo Bopp and Dottie Sheller. Miss Herman, the sponsor, also bowls with the girls on Tuesdays. Come on out and see for yourself how these Saratoga Sallys perform!

ALTHOUGH bowlers were a little slow getting started this year, they responded with such enthusiasm that the club promised to be as good as any M. R. H. has ever had.

Sponsored by Mr. Whitworth, the boys bowled at the Saratoga Alleys every Wednesday after school. The membership was divided into four teams of five members each. Chosen captains were: Charles Borth, Eddie Barrett, Walter Harmon, and Ralph Bock. The Barrett team led off with the highest score, but the others were so close behind that it's difficult to predict what competition will arise. Before the season ends, the boys hope to arrange some matches with groups from neighboring schools.

A few individual high averages are: Charles Borth, 184; Walter Harmon, 175; and Al Krems, 155. Keep 'em rollin', boys!

Orchestra

SHRILL, high notes, offset by the reedy vibrations of the woodwinds, come from room five just after the bell rings in the morning. After this tuning-up process, Miss Hansen, the new director, makes several quick arm movements, and the orchestra plays the beginning notes of a Mozart Symphony—an inspiring prelude to a busy day.

The results of these morning sessions were beautifully demonstrated at the Christmas Concert. Later, drifting from the stage of the Webster High Auditorium, the selections which were interpreted by this organization won high praise at the Annual Music Festival. Rounding out another year of engagements was its appearance at the Spring Concert. The orchestra was proud also to have several members represented in the All-County Orchestra again this year.

Watch this group for future accomplishments!

Glee Club

“Now breathe” this command starts those Wednesday rehearsals of the Girls’ Glee Club. The added volume on “mi-mi-mi” is due to the increase in numbers this year. One-hundred-thirty blended voices thrilled the audience at the Christmas Concert, and made the old halls ring with the traditional carols. Under the able direction of Mr. Best, the Glee Club came through the Spring Concert with superb performances.

On rehearsal days, hall wanderers learned by experience to make way for the G. C. girls who planned to catch the 4:10 bus. The words “that will be all for today” were the signal for the girls to whiz out of the door, pulling on coats, grabbing books, and stumbling for the bus. Coaches, take heed—track records have been broken by these girls!!!

A NOTE OF SERIOUSNESS

AS THE blue robed figures take their places, side by side, a hush falls over the audience, for this is the A Cappella Choir.

The choir has shown an increase in membership over last year due to the addition of some male voices. This fact explains the mad scrambling of the girls to be included in the choir roll book.

Taking a brief vacation this fall, the picnic was more fun! After the Christmas Concert, it was noted that Santa had been here — yes, you guessed it, a box of cigars for Mr. Best!

Seriously, our choir has been rewarded for months of hard practice. It received more favorable criticisms than ever before at the University City Music Festival, and its performance at the Spring Concert, we thought, was out of this world.

AFTER THE "PEP TALK"

"NEVER say die!" That was the spirit of the M. R. H. Blue Devils this season. Our boys, handicapped from the start by the loss of veteran players through graduation and entrance into the service, were in there at every game battling for victory. Hopes were not too high, especially after a loss of the first game to Wellston, but our team rallied at the second game and came through with a score more than double that of the opponent Clayton. Followed four really brutal sessions, after which M. R. H. rose again victorious. Although our last contest, the Normandy game, also resulted in defeat, the school spirit marches on.

With eleven lettermen back next year, our two capable coaches, Mr. McArtor and Mr. Moseley, will have experienced players to mold into a real team.

"B" Football

You can't keep a good team down! With such disadvantages as youth and inexperience against them, our boys came back again and again with true M. R. H. Spirit. All of them are hard workers and show promise for next season. Under the guidance and coaching of Mr. McClanahan, they have learned sportsmanship, team work, the finer points of football, and have developed many qualities which go into the make-up of a good athlete.

The team as a whole displayed smooth ground work, but was defeated through the super ability of the opposing teams to complete passes.

Although the season had few highlights, all the players showed pep, ambition, and ability. Back them up and cheer them on, for from their ranks will come our future "Gridiron Greats!"

THE M. R. H. "B" Basketball Team also had an outstanding record this year. Of the original fourteen game schedule, ten games were won and only four lost. On the first night of the "B" Team Tournament at Wellston, Ritenour was defeated by our team, but in the next round, Clayton eliminated us. At the close of the "B" team season, two of its players, Tom Heeter and Bob Phillips, were chosen to play on the Varsity squad in the Sub-Regional Tournament held here. Mr. Larason deserves much credit for the success of this "B" team.

WRESTLING

Coach "Del"

FOUR—five—six—the record rolls on as M. R. H. once more chalks up a state wrestling championship. Defending their title for the fifth time, the Leafs entered the meet at Ferguson, Missouri, on February 15 and 16, and once again came out on top. M. R. H. secured thirty-eight points to take first place. Ritenour was second with twenty-two points, and Kirkwood third with twenty-one points. In order to gain its points, M. R. H. crowned four champions, with three runners-up in second place. The champions were: Bob Striler, 112 pound class; Don Spitznagle, 120 pound class; Bob McBride, 133 pound class; and Jack Gillespie, heavy-weight class. The seconds were taken by Art Gann, 103 pound class; Chuck Austin, 127 pound class; and Jack Monahan, 145 pound class.

These wrestlers went through a twelve-match season with only one defeat, at

Bob McBride, Jack Gillespie, Don Spitznagle, Bob Striler.

the hands of Kirkwood. Taking the first two matches, they dropped the third one, but came back to finish the rest of the season with nine more victories. Quoted by Coach Del Pizzo as one of the most powerful teams M. R. H. has ever had, they held true to his predictions by taking the State Meet with an all time record of thirty-eight points. When there are more wrestlers to conquer, these "Champs" will take them on!

SIEFERT TAKES THE HURDLE!

SPRING is in the air! We're sure because those track boys are out again, over one hundred strong! Built around a nucleus of nine returning lettermen, the Senior Track Squad is practicing in preparation for coming scheduled meets.

Some of the outstanding performers from last year are: Bill Morgan, Herb Klinger, Bob Siefert, and Bob Ellis from the senior division, and Ken Green and Bob Ellison from the junior group.

Three trips are scheduled for this spring. M. R. H. will go to Columbia twice, for the State Indoor and Outdoor Champion Meets. In addition, the boys will travel to Herrin, Illinois, for the Herrin Relays. The team this year is coached by Mr. Moseley with assistance of Mr. McArtor. With this combination, it looks like another trophy for M. R. H.

First Row: Rafferty, Allen, Aubuchon, Phillips, Deardorff, Williams, Green.
 Second Row: Gibson, Sullivan, DePew, Seymour, Miler, Dodson, Hill, Keller.
 Third Row: Clark, Pruitt, Gaffney, Ploussard, Kaufman, Gay, Bartley, Morton, Koechling.
 Fourth Row: D. Fox, Striler, Claywell, Maddox, Peterson, Hohlstein, Breitenbuecher, Main, Weis, Pitts, Henderson.
 Fifth Row: Barnard, McVey, Gill, B. Fox, Graham, Hoel, Prince, Spooner, Dilthey, Jacobs, Gann, Heebner, Britt.

Junior Track

THE Junior Track Team is also preparing for a busy season. You've, no doubt, watched them swarming out to practice with all the pent up pep left over from the winter!

This group is made up of boys whose age is sixteen years and six months, or under. They meet the same teams as the senior track, and have the same coaches. The only difference is that they will not, as a whole, participate in the two meets at Columbia, or in the Herrin Relays. However, with good performance this year on the junior team, the younger boys can look forward to varsity next year.

Sitting on the bleachers these warm spring days, and watching them work-out are the favorite pastimes here at M. R. H. They like your cheers, but no jeers, please!

Girls' Hockey

ENTHUSIASTIC hockey teams got off to a good start this fall.

The first games were played at Washington University with all four classes participating. Later in the season, the senior team won games with its greatest rivals, Webster and Kirkwood. To celebrate these victories in the grand manner, a party was planned and carried out.

Other class teams came through the season with success enough to assure better performances next year.

Fall days found members of the varsity team on the field living up to the standards by which they were chosen even though nature was against them in bringing cold weather and darkness early. When the situation became too bad, the girls reluctantly put away their sticks for another year.

Girls' Basketball

THE Girls' Basketball Teams of M. R. H. could boast with pride this year. Much jubilation was due to the fact that all four class teams—freshman, sophomore, junior, and senior — won their first game at the exciting play day held at University City.

This triumph must have served as an incentive for the teams, since the season was packed with victories. Everyone agrees that this year's teams have done the best playing that has been seen in years. (We wouldn't want to appear conceited!)

As for the varsity team, they never had to worry about losing a game with those lucky shot girls, Nadine Brennecke and Betty Ernst, making so many baskets, and Viola English and Jane Lloyd guarding the opponents.

FIGHT! FIGHT! FIGHT!

"BLUE and White, Fight! Fight! Who fight? We fight, Blue and White, Fight! Fight!" Hear that roar coming from the M. R. H. Gym? That's our student body giving out with a yell (and we do mean yell). At every home game, the Cheer Leaders are in their places in front of the bleachers leading the crowd in first-class yells to bolster school spirit. Dressed in dark slacks and white sweaters, the pep squad makes a striking picture when assembled to give a big cheer. Under the able leadership of these Peppers, the joint really rocks with solid renditions of the old favorites, "Yea Team," "Alekazee," and "Boom Chicka Boom."

There's a great future ahead for M. R. H., for, with this group to cheer us on, we can't go wrong.

IN LEISURE

A thrill not soon forgotten,
That ever expectant air,
Breathtakingly lovely flowers,
A shining mass of hair.

That most important Prom date,
Gay laughs at the Record Hop,
Ye hero at the Backward Dance,
Memories never stop.

Within our hearts these memories live,
Pleasures to recall,
Joys we knew at M. R. H.,
Though they be great or small.

The Football Dance

THE first big social event of our year sponsored by the Football Team was held in the Gym on February 9, 1946.

The old Gym was hardly recognizable with its gay trimmings. The traditional blue and white used for the streamers which fashioned a ceiling and draped sides of the dance enclosure were also carried out in the elaborate throne designed by Bill Couch. Considerable skill went into the making of this throne shaped like a large half football surrounded by white clouds, and decorated on either side with bewitching blue devils.

At a given signal, Brad Stevens stepped to the microphone and announced the procession. First to be summoned were Richard Henley, retiring captain of the Football Team; and Richard Haferkamp, captain elect for next year. They took their positions at either side of the throne to the

stirring music of "On Blue Devils." Then the music changed to the lovely "Sophisticated Lady," and Brad announced the retiring queen, Miss Carol Ellison, who took her place on the throne to receive the court. Special maids who joined the spotlight parade were: Freshman Maid, Miss Mary Ann Fleming; Sophomore Maid, Miss Betty Toliver; Junior Maid, Miss Delores McNabb, and Senior Maid, Miss Doris Schaeffer. Little Jimmy Martin, the crownbearer, and the two flower girls, Carol Ann and Mary Ruth McClanahan, preceded the new queen who was heralded with special fanfare. Her majesty, Miss Jane Kelly, then approached the throne and received from the retiring queen, the crown, symbol of her enviable position.

So ended the colorful pageantry which was an exciting prelude to a gay, unforgettable evening!

Del McNabb, Rich Haferkamp, Mary Ruth McClanahan, Mary Ann Fleming, Jimmy Martin, Jane Kelly, Carol Ellison, Betty Toliver, Rich Henley, Doris Schaeffer, Carol Ann McClanahan.

Junior-Senior Prom

A COLORFUL flower garden, echoing with strains of sweet music . . . with sparkling stars suspended from a blue ceiling . . . this, we heard, will be the setting of the Junior-Senior Prom this year. But, since the Maple Leaves goes to press before April 27, 1946, we'll have to dream a little, pretending that we know Al Judd's Orchestra rose to a magnificent fanfare as the Coronation ceremony began.

Bud Babbitt, Junior Class President, announced the twelve ribbon-bearers, the Misses Gerry Bader, Marilyn Burger, Margie Garrett, Betty Gibbs, Shirley Gray, Betty Lee Hess, Jeanne Hencken, Gloria Lang, Ruth Miller, Billie Steward, Dorothy Twombly, and Susan Whitehill,

who preceded the retiring queen, Miss Joan Steward. She then received the six Junior Maids, the Misses Dorothy Chorney, Audrey Crosby, Jane Kiely, Harriet Moore, Dotty Schute, and Betty Toliver. These in turn made way for the two special maids, Miss Jane Kelly and Miss Claire Kiely. A hush fell over the dance floor as the little crownbearer and the two tiny flower girls preceded the attractive, gracious Betty Carney as she ascended the throne to reign as Queen of the 1946 Junior-Senior Prom.

. . . Long after this copy of the Maple Leaves has been examined, autographed, and tucked away on a shelf, you'll agree that we can't go wrong in saying that the night of April 27 was a sparkling memory.

First Row: Jane Kelly, Betty Carney, Claire Kiely.

MAYTIME . . . Springtime . . . Apple blossoms . . . soft music . . . Sounds like something from a dream, doesn't it? At any rate, this will be what we will remember about May 18, when the old Gym, disguised under an array of apple blossoms, will be the setting of our Senior Dance.

Since the Maple Leaves goes to press before the event actually takes place, we'll just fashion a preview of thoughts, such as: Dick Andrews, Senior Class President, announcing Miss Carol Ellison, retiring queen, who summons to her court the spe-

cial attendants, the Misses Joyce Lauritson, Earlene Johnson, Sue Hamlin, and Betty Carney. Following them, the two Maids of Honor, Miss Claire Kiely and Miss Jane Kelly. Just as the fanfare from the orchestra climbs to the heights, Miss Virginia Austin, a tiny bit of sweet loveliness, ascends the throne and is made queen of the Senior dance. Then, before the stardust can vanish before our eyes, escorts come to claim the lovely ladies of the court, and the evening's dancing begins. Such music Al Judd's Orchestra produced! Such an evening in May! Ah-h-h.

The Backward Dance

"It's in the cards" that March 30 will make Backward Dance History. For, what could be a better theme for this G. A. A. sponsored man-grab than huge playing cards, and red and black streamers decorating the M. R. H. Gym?

As in the past, 8:30 will find the Backward Dance couples filling up the dance floor, the fellows wearing corsages bought or made by the girls. Now, wait a minute, when we say corsages, we don't mean the usual flowers and stuff. Oh, no! These corsages are made up of lifesavers, chewing gum, cigarettes, gum drops, vegetables, and all such tempting ingredients which will probably dwindle as the dancing progresses.

The highlight of the evening comes when Jane Lloyd, G. A. A. president, begins the coronation ceremony. From the orchestra, a high note blares as the Freshman Jack, Rich Adams, appears; followed by Sophomore Jack, Bud Aubuchon; Junior Jack, Bob Wolff; and Senior Jack, Dick Andrews. Another blast of the fanfare, and before us stands a confused, but grinning Bill Couch, who is crowned King!

Laughter subsides, and couples resume their dancing to the music of Emit Schuster's Orchestra. Time went so fast you knew it couldn't last; but wasn't it fun!

Richard Adams, Bob Wolff, Everett Aubuchon, Dick Andrews.
